Dear Diego,

I wanted to send you this letter to thank you and your staff for Catering our past 2 events this year. Although you have catered multiple events for us over the years, (and we've used many other catering services) you out perform every single time and the positive over-the-top feedback we receive from our staff & attendees motivated me to send you this letter of gratitude.

Your attention to detail, your food, the presentation, the professionalism, and friendliness of your servers is truly exceptional!

I highly recommend your catering services to any of your prospective clients. They are welcome to call me anytime for a reference on my personal cell, 818-517-KRLA (5752). They will NOT be disappointed, in fact, they'll most likely write you a letter such as mine.

Sincerely,

RJ Beaton
